

Present: Anika Sheikh, Dylan Rowsell, Raman Kaur, Riku Makita, Adham Sorour, Harley McLachlan

Purpose of Meeting: Discuss possible benefits and questions for dynamic real estate sign from GitLab issues

Minutes:

Meeting started at 8:30PM with the team reviewing last meeting's minute and reviewing possible benefits written on GitLab issues about dynamic real estate sign.

A. Meeting with Harley's Real Estate Friend

- The friend is available to meet with us virtually after the current meeting
- People that should be present at the meeting: Harley, Adham or Dylan
- Be honest about concerns about the product to get valuable insight about what is desired by target market
- Discuss the possible benefits of the product that are mentioned by everyone under issue#12
-

B. Things to do before/by next meeting

- Dylan, Raman: Collect rubric needed to start requirements document
- Riku: Research on different countries' bidding system
- Adham: Research further on Beacons
- Anika: Reconstruct GitLab boards, issues, milestones
-

C. Next Meeting Date

Time: May 28, 2022 at 11:30-12:30

Location: Virtual on Discord

Meeting was adjourned early at 9PM to give people time to prepare for meeting with Harley's Real Estate Friend.
